Hold On To The Moment

Single file and yet together,
We have shred our greatest days.
And we carry common memories
In different ways.
Though we don't know where we're going,
We will cherish where we've been.

I want to cry.
I want to shout . . .
Want to let this feeling out.

Hold on to the moment.
Let the feeling show.
Hold on to the moment.
Never let it go.

I can picture us together
With my arms around my friends.
Just let me hold on to this moment,
Before it ends.
There was laughter, There were tears,
Through the dozen golden years.

Youth

You are so young
Each moment of your life is precious
Whether joy or sorrow
Go
Where your heart takes you
follow
The silly, fly-by-night dreams
And reach the goals you have set
Live life to the fullest
for youth slips by ever so quickly.

AWESOME

We started out by losing our first game to Chittenago, but that didn't stop us. We came back and are the C.V.C. Co-Champs and the Section 3 Class Champs. The Evening Telegram didn't give us much hope with writing such things as: "Team unity may be the Magician's greatest strength this year." On paper Herkimer is small, really not very fast." "They are just your average high school kids."

We proved not to be average but above average. It was an AWESOME year!!

DEDICATION

The Senior Class of 1985 would like to dedicate the 1984 - 1985 edition of the Ye Green Quill to Mr. John Sweeney. Mr. Sweeney has been our class advisor since our Sophomore year. He definitely deserves this dedication. He was always there when we needed his advice and his guidance. His sense of humor made us laugh! Not only was he our advisor, but also our teacher. The knowledge he has passed on to us will always remain in our minds.

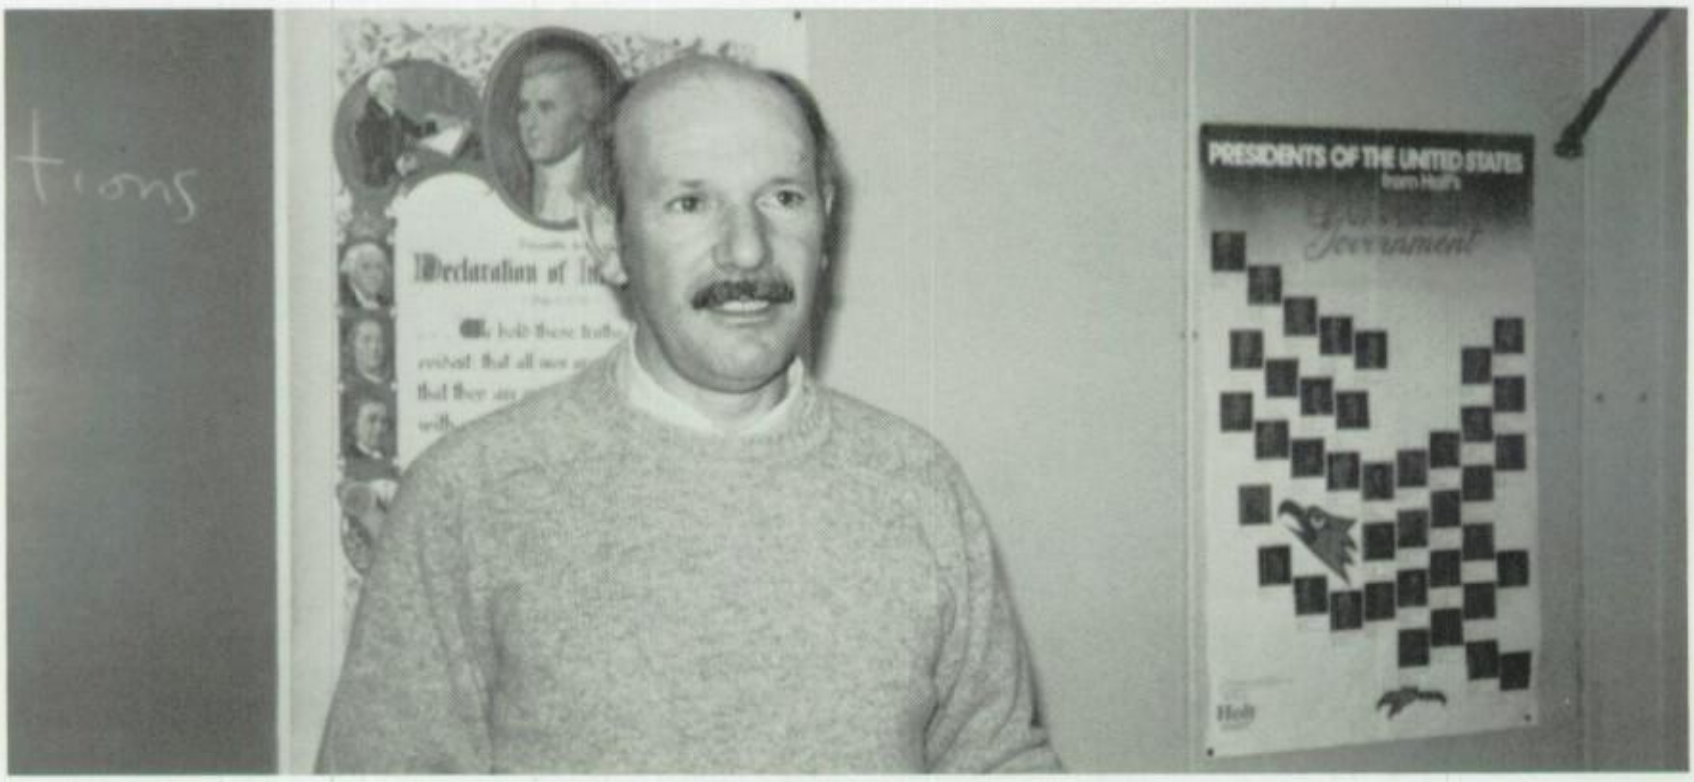
Not only was he our teacher and advisor, but also our friend. A friendship that we all will cherish. We will be leaving HHS with many special memories, thanks to Mr. Sweeney, because he was the one who made these memories possible. We hope you will never forget the Class of "85," because in all our hearts you will be remembered in a very special way.

As you would say, Mr. Sweeney,

Where is the Class of "85"?

Just remember:

WE'RE OUT THERE!!!!!!!!!!!!!!!!!!!!!!!!



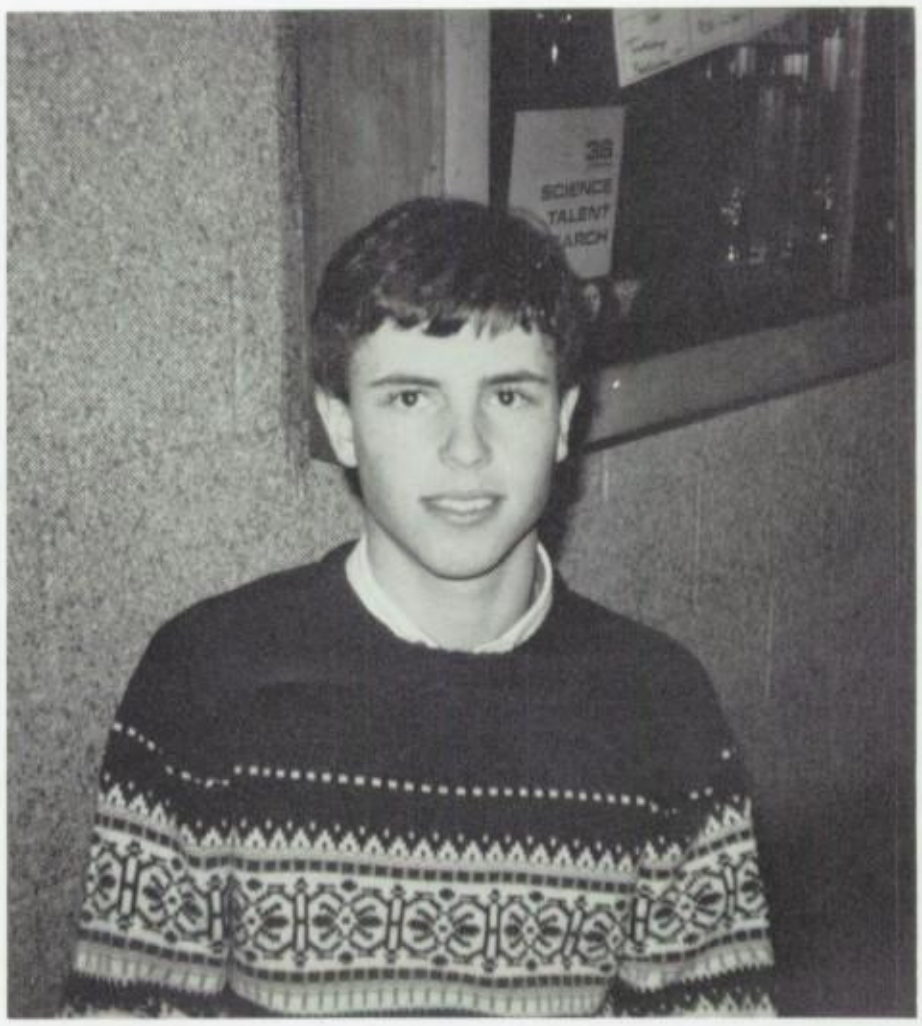
I first heard about becoming an exchange student from my cousin and two of my high school friends who came to the US for one year. Last year my family had an exchange student from Ohio. Since I'd heard so much about the USA and I wanted to learn English I decided to apply to come to the USA.

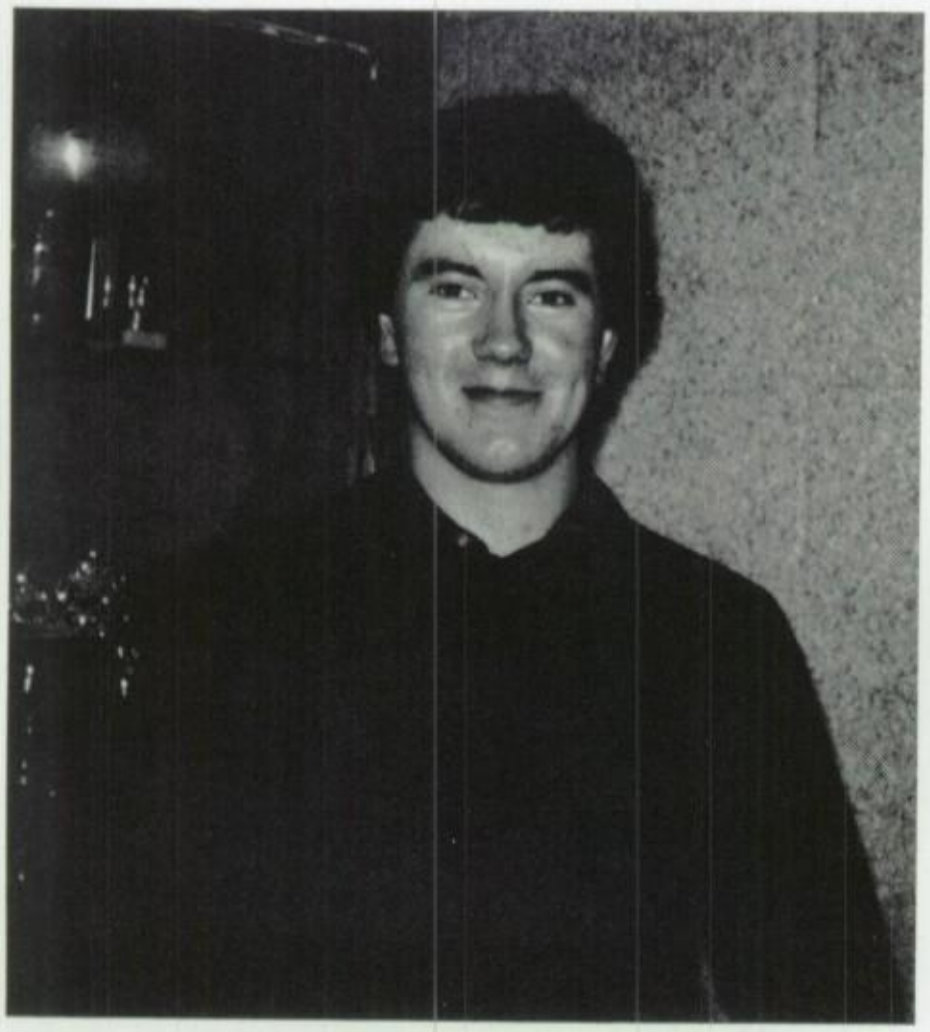
Though I've missed my family and my friends in Chile, I've made new friends and had three new families here in the United States. I want to thank my American friends, my host families, the Rotary, and faculty at Herkimer High School for a most memorable, and pleasant year.

Sincerely,

Rodrigo Estevez

RODRIGO ESTEVEZ





POL-MANUEL HAMON

It has been a nice year spent in Herkimer High School. When I first came here, my English wasn't too good, but it has improved a lot. That's also really nice to go around and to share your culture with students. I mean the differences between French and American habits. For example one of the things that impressed me the most when I came was the size of the cars. Most of them are so big compare to French cars that I was really surprised.

I'd like also in this paragraph, to thank all the people who helped me during my stay in this school.

Thanks again and I wish for everybody a good year!

Pol Manuel Hamon

SPECIAL THANKS

The yearbook staff would like to thank all of the students who helped with this year's yearbook. We would also like to thank the teachers who allowed us to be excused from classes. A special thanks to Mrs. Quinn and Miss Hensel for allowing us to use the computer room and the typewriters. We would like to thank Mr. Stagliano, Mr. Thomas, and Mr. Bob Carper, Sales Representative from Jostens.

We are sorry for the disorganization of this yearbook and for pictures that were left out. Most of you know what problems we had throughout the year with putting this yearbook together. We tried our very best to get this yearbook to you . .

As It Wends Its Peaceful Way
There's A Spot of Fondest Memory
To Alumni, Young or Gray.
There, Our Dear Old Alma Mater
Stands Throned "Midst Hills of Green
As The White Clouds Bend Above Her,
She's The Fairest Ever Seen.
Oh, Her Sons and Daughters Love Her
